(c) the reasons for not giving the loan assistance to Rajasthan for the year 2006-07 as yet?

(c) Government of India has released Rs. 388.27 crore (Rs. 141.82 crore as grant and Rs. 246.45 crore as loan) as Additional Central Assistance for Externally Aided Projects to Rajasthan in 2006-07 as on 22.2.2007.

New bank branches in rural areas

†193.-SHRI SURENDRA LATH: Will the Minister of FINANCE be pleased to state:

(a) the number of new branches of banks opened in rural areas by Government during the last three years;

(b) whether it is a fact that Government are considering to open more branches of banks in rural areas during the current year; and

(c) if so, the details thereof, State-wise?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI PAWAN KUMAR BANSAL): (a) As reported by the Reserve Bank of India (RBI), the Bank-wise details of the number of branches opened by the Public Sector Banks in the rural areas of the country during the years 2003-04, 2004-05 and 2005-06 are given in the Statement (See below).

(b) and (c) As per the Branch Authorisation Policy of RBI issued in September, 2005, banks have been given freedom to submit their branch Expansion Plans to RBI for approval on annual basis during the year.

---

†Original notice of the question was received in Hindi.

Accordingly, banks submit proposals for opening branches at specific centres/places, keeping in view the availability of infrastructure, business potential and broad policy parameters. Banks are encouraged to open branches in under banked districts and rural centres.

Banks are also free to approach the RBI in respect of any urgent proposals regarding opening of branches, especially in rural areas/under banked districts any time during the year, in addition to the proposals submitted in their Annual Plan. The RBI generally approves the proposals received from the banks for opening of branches in rural areas and underbanked districts.

RBI does not have State-wise data on proposals for opening of branches in rural areas during the current year, as this would depend on the number of such proposals, which banks would be submitting to RBI as part of their Annual Branch Expansion Plan.
